*Santa Clara Pueblo's - Black Mesa Golf Club
Ranked Among Top 100 Greatest Golf Courses*

The ranking for the Black Mesa Golf Club was announced in the Golf Digest, July/August 2023. With this ranking the Black Mesa Golf Club is placed on the “bucket list” of many top golfers. Golfers from within the Country but also from other countries such as Canada and Japan, to name a few, come to experience our high desert course.

This is an invitation to Santa Clara Pueblo members to come to experience your golf course, as well. Santa Clara Tribal Members pay \$17.00 to play this beautiful golf course that utilizes the natural hills and valleys, rock formations and natural vegetation to create the challenging 18 hole golf course. Also free for your use is a driving range and a practice green, away from the rest of the golf course so you can take your time learning your clubs and perfecting your swings. If you do not own your own set of golf clubs, the Pro Golf Shop will rent clubs and help you to select the appropriate ones for your height. After your play, the Black Mesa Grill offers delicious dining and a full-service bar

Please come to experience your Black Mesa Golf Club.

Accounting/Procurement Department

Happy August from the Accounting/Procurement Staff!

The Accounting/Procurement Department continues to provide accounting/procurement services to all Federal and State, local, private agencies of New Mexico for which Santa Clara Pueblo receives funding. We are also responsible for the Pueblo's General Fund. The department is responsible for the financial management in accurately identifying revenue received from these entities and accurately identifying costs incurred by these Federal and State funded programs. The Pueblo is a Self-Governance tribe and all programs are administered and accounted for at the Tribal level.

The department is responsible for financial reporting to various funding agencies and must adhere to Federal and State regulations in order to receive funding to implement programmatic activities designed to provide services to Santa Clara Pueblo community.

The department is responsible for updated audits of all federal and state funds. Provides training to staff and directors on programmatic issues which affect the department.

We have implemented an electronic timecard system (iSolved) for all employee to enter hours worked vs paper timesheets. This is working quiet well. We are currently working on an electronic purchasing software (Microix) which will allow program departments to submit purchase request electronically. Our goal is to become "paperless" but continue to be accountable and transparent in all our transactions.

Santa Clara Pueblo's Accounting & Procurement department consists of six (6) staff members:

Accounting

Kathy Naranjo, Accounting Director, knaranjo@santaclarapueblo.org

Marion Salvador, Federal, State and Private Compliance Officer, msalvador@santaclarapueblo.org

Josue Vizcarra, Staff Accountant II, jvizcarra@santaclarapueblo.org

Rebecca Naranjo, Staff Accountant II, rjnaranjo@santaclarapueblo.org

Gail Mohamed, Accounts Payable Clerk, gmohamed@santaclarapueblo.org

Procurement

Delores Allison, Procurement Manager, dallison@santaclarapueblo.org

THANK YOU!!!

Hello Everyone,

I have returned from my SFIS-Japan Cultural Experience Group trip. We traveled to Japan to learn about their culture, traditions and people and to see what similarities we may have. It was a great experience! We visited Temples, where I was able to say a prayer for everyone; schools where we attended festivals and I ate food I never tried before.

Traveled on a ferry, bullet train and jumped from train to train to get around Japan. I also made friends at the schools we visited and we hope to continue our friendships through Social Media.

I would like to thank everyone who donated money or items for my food sales, purchased from my food sales, bought raffle tickets and gave me blessing and well wishes for my trip to Japan. I would also like to thank the people who donated the beautiful items for my raffle and my Aunties and Grandma for helping with the food sales.

I greatly appreciate you all!! May you and your families be blessed with lives full of health and happiness.!!

Re: Median Household Income Survey

ALMOST TO OUR GOAL!

We need 88 more responses to meet our goal! If you have not mailed back your survey, please mail it as soon as possible! A second round of surveys will be delivered **July 20th to those that have not responded. Your response matters, help us maximize our federal funding!**

Santa Clara Pueblo plans to apply to federal and state funding programs for the community drinking water and wastewater system improvements and upgrades, and community facilities projects. We hope to optimize our funding opportunities for the following projects:

Water and Wastewater System Improvement Projects:

The water and wastewater project are a continuation of new waterline and sewer line construction to replace existing infrastructure to all residential lots the Santa Clara Pueblo area.

- Existing clay sewer lines have expended 100% to 66% of its recommended useful life. Sewer lines and manholes have root intrusion, and manholes that are inaccessible and/or lack interior coating.
- Current waterlines smaller than 4-inch diameter and/or exceeding their useful life will be replaced with 6-inch or 8-inch diameter pipe and install standard-size fire hydrants in areas accessible for emergency services that are capable of meeting fire protection requirements.

Community Facilities Projects:

Santa Clara Pueblo is currently seeking funding to complete plans, design, and construction of a new Tribal Administration Complex for Santa Clara Pueblo Tribal Government. The existing building is well over 30 years old, not code compliant, does not meet ADA requirements, or have proper fire protection.

In addition, the Pueblo is seeking funds to purchase a new Rescue Unit for the Pueblos' Fire Department to help respond to the current COVID19 pandemic and all emergencies.

Santa Clara Pueblo leadership believes that the proposed projects will benefit all Pueblo members and mitigate current public safety and accessibility issues.

Currently, the U.S. Census shows a higher median household income which we believe does not reflect the true median household income of our community. As a result, with the help of an independent third party organization, we will conduct an income survey with the goal of obtaining as much funding as possible.

To assist in determining the median household income of our community, we have approved that the survey is conducted by the Rural Community Assistance Corporation (RCAC), a non-profit organization approved by USDA Rural Development. In order to assure an accurate median household income of our community, we need a large response from Santa Clara members to qualify the survey. Responses to the survey are confidential. No identifying information will be provided to Santa Clara Pueblo or the funding agency.

The Special Projects Office and RCAC will be delivering a survey letter, survey form and a self-addressed postage paid envelope to return your completed survey. You will need to fill out the survey and mail it back in the envelope provided. You may also drop off the envelope at the Special Projects Office. **By completing and returning the survey, you can help your community obtain the best possible funding so that the needed improvements can be made.**

Thank you for your assistance. For more information please contact:

Special Projects Office at 505-692-6309 or

Joseph Valdez, Rural Development Specialist, RCAC, Cell Phone: (505) 290-1721, E-mail address: jvaldez@rcac.org

APPLICATION RELEASE TO OBTAIN VERIFICATION OF INCOME AND FUEL CONSUMPTION

I authorize the NM Energy\$mart weatherization staff to verify and examine the fuel consumption records of my house, available from the utility companies, in order to determine the impact of energy conservation services rendered to my house.

As an applicant for NM Energy\$mart weatherization program, I do hereby give my permission to the program's staff administering the program to verify all household income prior to the starting date of the work to be done. (Each household member over 18 years old must sign below for verification of income.)

I understand that services cannot be provided if health and safety problems are beyond the scope of this program. It is the responsibility of the applicant to correct unsafe conditions or to contact alternative funding sources for assistance.

I grant permission to the NM Energy\$mart staff, or its designee, to enter my property and to make applicable repairs for the weatherization of my home. I also release and pledge to hold harmless NM Energy\$mart staff and volunteer assistants from any liability resulting from these repairs.

I certify that the home for which I am requesting weatherization assistance is not designated for acquisition or clearance by federal, state, or local programs within twelve (12) months from the scheduled completion date.

WARNING! Section 1001 of Title 18 of the US Code makes it a criminal offense to make willful false statements or misrepresentations to any Department or Agency of the United States as to matters within its jurisdiction.

SCHOLARSHIP INFORMATION

In the Spring of 2023, the Santa Clara Pueblo Tribal Council authorized amendments to the Department of Youth and Learning Scholarship Guidelines to expand eligibility to additional students. The expansion of eligible students now includes:

- Part-Time Students
 - Minimum of one 3-credit hour class.
- Trades & Certificates
 - Must be at an accredited institution (i.e., Community College, etc.)
- Students pursuing a second degree
 - Ex. Second associates degree, second Master's degree, etc.

The scholarship application process will now move to an online process for the 2023-2024 school year. The portal will go live starting Tuesday, August 1, 2023 at KhapoKidz.org. Applicants must create an account to submit an application.

Due to delays in the development of the website the deadline for the Fall 2023 Semester will be extended to August 30, 2023. Please do not delay in submitting your application, the DYL will process the applications on a rolling basis as they are completed.

Department of Youth and Learning Director, Jeremy Oyenque, can be contacted at joyenque@santaclarapueblo.org for more information.

Keep Cool in Extreme Heat

Extreme heat can be dangerous for everyone, but it may be especially dangerous for people with chronic medical conditions.

Stay cool.

Stay hydrated.

Stay informed.

Eat Healthy Food

Delicious fruits and veggies make any summer meal healthier.

TIP

Choose Your Drinks Wisely

Drink water (fluoridated tap or unsweetened bottled or sparkling) instead of sugary or alcoholic drinks to reduce calories and stay safe.

Timeline for Award Process

- **Application Submission Period**
The scholarship application is open during the following dates for each semester:
 - Fall application - Opens January 1; Closes July 30
 - Spring application - Opens August 1; Closes December 30
- **Notification of Decision**
Once the application has been submitted *and* confirmed as complete, DYL will notify applicants of decisions within 45 days.

Additional Information

The Santa Clara Pueblo Department of Youth and Learning (DYL) Scholarship is meant to *supplement* other sources of financial aid. All scholarship applicants should complete the Free Application for Federal Student Aid (FAFSA) and apply for other sources of financial aid, such as Pell Grants, Federal Supplemental Education Opportunity Grants (FSEOG), State Student Incentive Grants (SSIG), the State of New Mexico Legislative Lottery Scholarship, and veteran benefits. The scholarship will *not* be based on a financial needs analysis form.

The DYL recommends that every student schedule a meeting with an Academic and Financial Adviser at your respective educational institution each academic semester.

The scholarship program provides funding assistance in the fall and spring only, regardless of the applicant's school calendar (for example, quarters or trimesters). At the beginning of *each* academic semester, the student is responsible for submitting the following items:

- Continuing Application
- Official Grades/Transcripts from previous academic term (within 21 days of the end of the term)
 - This could be your high school or college/university
- New schedule of classes for next term (for example, semester, quarter, or trimester)

If a student has a break of one or more semesters, then a complete new application must be submitted and approved for the awarding of a scholarship.

The Santa Clara Pueblo DYL has the authority to set guidelines, policies, procedures, and deadlines, and review and act upon all scholarship applications.

Withdrawals & Repayments

Students should *not* withdraw from school except for the most urgent reasons and only after the Santa Clara Pueblo DYL has been notified in writing and consulted about any problems.

Adding and dropping classes while increasing or maintaining the same number of credits does not require notification of the Santa Clara Pueblo DYL. The addition of classes after an award has been determined will not result in an increase of award.

A student who withdraws from one or more classes (below the number of credit hours funded) without prior approval from Santa Clara Pueblo DYL must reimburse the Tribe the dollar amount of that class. If the amount is not paid in full, the student will not be eligible for future funding and will be suspended from the scholarship program.

Suspension from College or University

A student suspended from the institution he/she attends will *not* receive any financial assistance from the Santa Clara Pueblo DYL during the term of suspension, as well as for the following term. A student may reapply and be reinstated after suspension is lifted at the institute of attendance. The student may be required to reimburse the Tribe if the funds were awarded at the beginning of the term of suspension. The decision will be at the discretion of the DYL Director.

Scholarship Probation, Suspension, & Reinstatement

A student must maintain the following minimum GPA in order to be in good standing:

- Undergraduate: 2.5 GPA
- Graduate: 3.0 GPA

If this GPA is not met during the funded period, the student will be placed on *scholarship probation*. The student will receive notification of probation in writing from the Santa Clara Pueblo DYL. In order to lift the probation and receive continued funding, the student must maintain the applicable minimum GPA for the following semester.

However, if a student who is currently on probation receives less than the required minimum GPA the following semester, he/she will be placed on *scholarship suspension*, meaning that funds from the Santa Clara Pueblo DYL will cease. The student will receive notification of suspension in writing from the Santa Clara Pueblo DYL. In order to lift the suspension, the student will need to attend school the following semester without Tribal assistance and must maintain the stated minimum GPA. Once the student earns the minimum GPA for one semester, he/she will be placed back on scholarship probation until they have earned the minimum *cumulative (or overall)* GPA and will be reinstated as in good standing.

As mentioned above, a student may also be suspended from the scholarship program if he/she withdraws from one or more classes without prior approval and does not reimburse the Tribe for the dollar amount of that class as well as for books.

Hearing & Appeals

If a student is denied for a scholarship by the Santa Clara Pueblo DYL they may request a review of the decision by following these steps:

1. The student must write to the DYL Director regarding the decision within seven (7) working days after the decision was postmarked to the student. The student must have new or additional information that will reflect the reconsideration of the scholarship award.
2. The student may present this new information to the DYL Office Manager. The Office Manager will inform the DYL Director of the new information and a date will be set to review the new and additional information in order to reconsider the decision.
3. This review must happen within ten (10) working days after the DYL has received the student's submission of new information.

The Santa Clara Pueblo DYL will review the new additional information and make a decision. The decision of the DYL Director will be final.

Tax Holiday

[Back to School Tax Free Holiday](#)

Coming soon to a retail store near you is the annual New Mexico Gross Receipts Tax Holiday. If you have school-age children, it's nothing short of a bonanza. For that weekend the state suspends collection of gross receipts tax on sales of qualifying items so you can buy the items tax free. Because many merchants also absorb the tax on a number of non-qualifying items, you are the beneficiary all around.

The tax holiday begins at 12:01 a.m. on Friday, August 4, 2023 and concludes on Sunday, August 6, 2023 at midnight.

During that time the law provides a deduction from gross receipts for retail sales of qualifying tangible personal property; in effect allowing the retailer to sell the items "tax free."

[FYI-203, Gross Receipts Tax Holiday](#) contains list divided into categories, but please note that within some categories there is a set dollar maximum. To qualify for the deduction, clothing or shoes must be priced at less than \$100 per unit. The price limit for desktop, laptop, tablets or notebook computers is \$1,000, and for related computer hardware it is \$500. School supplies for use in standard, general-education classrooms must be under \$30 per unit. There are items specifically excluded by statute in all categories. Those items are always taxable.

For more specific information on the legislation, definitions, types of sales, (rain checks, exchanges, refunds, gift cards, layaways, Internet, mail order and telephone sales) please see **[FYI-203, Gross Receipts Tax Holiday](#)**.
