OBSTACLES AT EVERY TURN

BARRIERS TO POLITICAL PARTICIPATION FACED BY NATIVE AMERICAN VOTERS

Published by: The Native American Rights Fund

Indian self-determination begins with electing the leaders we want at the federal, state, and tribal levels. We can achieve it by exercising our power as Indian voters.

New Mexico was the last state to extend voting rights to Native people, doing so only in the 1960s. Even afterward, literacy tests, poll taxes, and other restrictive tactics continued to disenfranchise Native voters throughout our nation. Although the political landscape has changed, similar barriers remain and new forms of voter suppression continue to emerge.

We have the power to influence who wins and loses in the 2026 election. We can choose candidates who will respond to the needs and Rights of the First Americans and our tribe.

To sustain this momentum, we must register and vote. By exercising our Indian voting power, we can protect our lands, water rights, and civil rights. Democracy only works if we do. And your voice? It matters more than you think.

Here's how to exercise your voting power in Santa Clara Pueblo:

2026 General Election:

Early Voting (Same Day Voter Registration) at Santa Clara Senior Citizens Bldg., 636 One Kee Street, Española, NM 87532

Saturday, Oct 17 ----- 10:00am - 6:00pm

Tuesday, Oct 20 thru Saturday, Oct 24 ----- 10:00am - 6:00pm

Tuesday, Oct 27 thru Friday, Oct 30 ----- 10:00am - 6:00pm

General Election Date is November 3, 2026 from 7:00am to 7:00pm

Same Day Voter Registration: You can register to vote or update your existing registration and vote on the same day during Early and General Election Day at the Santa Clara Voting Polls or Rio Arriba County Clerk's Office. Voters wishing to use this service please bring a photo ID card, (Driver license, State ID Card, School ID, Tribal ID Card)

If you vote by **absentee ballot**, you may return it by mail or drop it off at an Election Day polling location or the Rio Arriba County Clerk's Office. All absentee ballots must be received by 7:00 p.m. on Election Day.

Be a warrior for your tribe—use your vote to support your children's future and strengthen our tribal nation.

Re: Senior Wood Distribution qualifications

Dear Tribal Members,

This memo announces the upcoming wood distribution program **starting September 25th, 2026** and is designed to ensure senior residents have access to safe, affordable, and timely heating fuel. The initiative addresses the needs of seniors, those with disabilities, and households relying on wood burning stoves, and fireplaces. Here is a list of rules that qualify seniors for distribution.

- Requester must be 65 years of age, live in home where wood is delivered too, and enrolled as a tribal member of Santa Clara Pueblo.
- Wood is usually delivered on Fridays, "exceptions are emergency requests" and must be approved
- Must have fireplace and or woodstove
- All requests will be screened and placed through the Senior Center at 505-692-6244
- Once load has been delivered, additional requests **will not be accepted for a minimum of three weeks**
- One load per household, individuals who live in the same house will not receive a second load
- Wood deliveries are delivered to those who reside within reservation boundaries. Those individuals who qualify but reside outside of Santa Clara Boundaries must either decide for pickup and contact Tribal Sheriff to arrange for deliveries (approval must be obtained)

Reminder: All deliveries are a privilege as it takes time and money to process, obtain and deliver wood. Wood deliveries are solely for those individuals that need wood to heat their homes and are not to be sold. Wood that is harvested is primarily ponderosa Pine and maybe green. Woodlot is restocked on occasions and what is harvested is what is distributed.

Thank you,

Jeremy Yepa is pleased to announce through the concerted efforts of the Church Officials and Governor's Office, we have successfully merged under Sacred Heart Parish. We are no longer under San Juan Parishes. Moving forward, Father Ben Onwumelu will be our Pastor. Starting Saturday, October 17th, mass will be held every Saturday at 6 pm. Also, we may add masses during the week and on Sundays depending on need and attendance. We will also be working on the process for receiving Sacraments, such as: Baptism, Communion, Marriage, etc., in the near future.

The Santa Clara Community Library hosted a presentation on the Mesa Prieta Petroglyph Project on September 25th. The presenters reported on the importance of this 36 square mile mesa with basalt escarpment that contains petroglyphs created over 10,000 years by various peoples. Mesa Prieta contains the largest concentration of petroglyphs in all of New Mexico. In the 27 years of documenting/recording, only about 80,000 petroglyphs have been recorded which is only a percentage of the over 100,000 petroglyphs to be recorded. Beyond preserving these important ties to the past, it is hoped that the documentation of this significant place will result in protection of the mesa from future developments that could damage the petroglyphs.

To learn more about the petroglyph project go to mesaprietapetroglyphs.org to learn more about volunteering, booking a tour, youth education, newsletter and more.
