The new Governor's Office Building public opening was on October 30, 2026

Community members and representatives from different agencies were in attendance and all were provided an opportunity to tour the entire building.

It was a beautiful day for the grand opening event.

Of special note, Governor was gifted a 1930's large black pottery made by Sarafina Tafoya the mother of Margaret Tafoya. Margaret's daughter, Toni Roller and her family members donated the pottery vase to permanently decorate the new building. It is a treasured addition to the building and it is on display for all to enjoy.

BEHAVIORAL HEALTH

Hello everyone,

My name is Shannon Ortiz and I am the Outreach Coordinator with Santa Clara Pueblo Behavioral Health. As part of our outreach efforts we have the privilege of collaborating with Social Services, Tribal Sheriff, Law Enforcement, Fire/EMS, C.H.R./Diabetes, Victim Services, Department of Youth & Learning, Khapo Community School, Head Start, Forestry, Emergency Management, Santa Fe County Fire Department, Abiquiu Rangers and Veterans of Foreign Wars to annually celebrate the Red Ribbon Week Campaign. Red Ribbon week starts October 23rd and ends October 31st, it is a time when communities from around the world join together to spread awareness about the effect of drugs and alcohol. It acts as a time to acknowledge sacrifices, build connection and inspire communities to live drug free. Through joint efforts we were able to create a week full of activities inspiring unity and awareness.

This October was my first year working together to coordinate the Red Ribbon week events and it has truly been an honor. We kicked off Red Ribbon week with multiple themes to engage participation starting with “Team up Against Drugs” where people wore their favorite sports team gear in support. We had several themes throughout the week and ended with “Drugs are scary” where community members were encouraged to wear their favorite costume. Throughout the week we hosted multiple events such as a community parade, ribbon ties and presentations with the youth. These events encouraged living drug free, helped build connection and provided reliable information on local resources.

On behalf of Santa Clara Pueblo Behavioral Health, we would like to thank all community members and staff for their participation in this years Red Ribbon Campaign. Through joint efforts we were able to create a week full of activities, inspiration and awareness. Your support has been crucial in making this years Red Ribbon week a success. We look forward to opportunities in the near future to connect and increase awareness. Thank you for your time and have a wonderful day.

With gratitude,

Shannon M. Ortiz, LSAA

Trunk or Treat was held on October 30th and many kids in costume came to see the creative trunk decorations and to get treats as well.

The Veterans Honoring Event was held at the Santa Claran on November 10th. Twenty of our Pueblo Veterans attended. The Taos Pueblo singers sang an honor song, flag song and a closing song at the end of the event. The flags were carried by 3 of our Veterans. We thank Taos Pueblo singers, Cabinet Secretary Herrera, Chaplain Villegas, Honor Flight representatives, Otis Halfmoon and Pueblo artist Randy Silva for contributing to a very memorable honoring.

The recently completed Santa Clara Pueblo Veterans Commemorative painting was unveiled. Randy Silva attended Veterans meetings to hear their ideas of significant items to include in the artwork. Prints were made of the painting and given to each Veteran at the event. The original will hang in the Governor's Building.
